Re: PJM 06-1411

Dear Honorable Judge Messitte,

I am writing this letter separately from my Motion to Reopen the Case No PJM-06-1411 as to keep it confidential and a copy will be provided to Defendant. In addition to the reasons mentioned in the motion dated October 15, 2009, I am compelled to inform you of the intimidation and coercion that took place in the pretrial conference on June 18, 2009. I informed all parties I will withdraw my case before I am forced to sign a document I do not agree to. I went to the conference in good faith and my objections were noted. I will not be subjected to such coercion and intimidation. I will defer details of the statements made at the conference for a hearing if necessary and Your Honor gives permission to state them. For the reasons mentioned in my motion to reopen and the reasons stated in this letter, I wish to reopen my case.

Sincerely,

Torina Collis
